H16 GT Wet and Dry Vacuum

Ultra-light design. Ultra-deep clean.

H16 GT

Wet and Dry Vacuum

Meet Dreame's first full-featured ultra-slim H16 GT. At 4.1kg—lighter than H12 GT—with a 30% slimmer 9.9cm body that lies flat at 180°, it dives under furniture while 23kPa wet-dry suction powers through sticky spills and messes. Conquer corners with triple edge coverage—no spot left behind. TangleCut™ 2.0 delivers 100% tangle-free from hair to pet fur, with 300% improved comb efficiency for effortless maintenance. Meanwhile, 60°C hot wash and 95°C drying keep the brush clean, prevent odors, and make maintenance effortless.

Highlights

Ultra-Slim Power That Reaches the Unreachable

At just 4.1kg with a 9.9cm ultra-slim body* and 180° full recline*, H16 GT dives under furniture with uncompromised suction, gliding through spaces for powerful reach and effortless control. Triple edge coverage conquers corners and edges with ease—no spot left behind.

Lighter Than Ever, Stronger Than Ever

Armed with Dreame's motor, H16 GT unleashes 23kPa suction to tackle wet and dry messes on marble, wood, tile, laminate—for versatile all-floor cleaning. The fresh water cleaning system rinses brush and scrapes away tangles and dirty water—for a fresh clean every time.

100% Tangle-Free* for Maintenance-Free Cleaning

TangleCut™ 2.0 delivers 100% tangle-free performance from hair to pet fur, with 300% improved comb efficiency for effortless maintenance. Plus, enjoy streak-free drying that leaves floors fast-drying with no water streaks or residue post-clean.

35min Maximum Runtime for Consistent Cleaning

Equipped with a durable 6 x 2,500mAh battery, H16 GT delivers 35 minutes of runtime in Eco Mode for a consistent cleaning experience. Its 800ml clean water tank and 700ml dirty water tank also reduce the need for frequent refills and emptying.
